

Parent and Family Engagement Policy
Georgia School for the Deaf
School Year 2017-2018
Revision Date 10/01/2017

Georgia School for the Deaf believes that parents and families are key members of the school community and values their participation in making decisions that will impact their child's education. GSD is a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is a federally-funded program designed to support state and local reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

The Georgia School for the Deaf agrees to implement the following requirements as outlined by Section 1116 of the Every Student Succeeds Act:

- Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under Title I, Part A, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under Section 1114(b) of the Every Student Succeeds Act (ESSA).
- Update the school parent and family engagement policy periodically to meet the changing needs of parents and the school, distribute it to the parents of participating children, and make the parent and family engagement policy available to the local community.
- Provide full opportunities, to the extent practicable, for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Section 1111 of the ESSA in an understandable and uniform format, including alternative formats upon request and, to the extent practicable, in a language parents understand.
- If the schoolwide program plan under Section 1114(b) of the ESSA is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the local educational agency.
- Be governed by the following statutory definition of parent and family engagement and will carry out programs, activities, and procedures in accordance with this definition:

Parent and Family Engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

(A) Parents play an integral role in assisting their child's learning

(B) Parents are encouraged to be actively involved in their child's education at school

(C) Parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child

(D) Other activities are carried out, such as those described in Section 1116 of the ESSA

To help improve and increase parent and family involvement, GSD has developed this Parent and Family Engagement Policy.

GSD's School-Parent Compact will be distributed to families in a timely manner and parents, students and school representatives will sign the agreement. The School-Parent Compact shall be delivered to parents via student or US mail, available at the school and posted on the school website and Facebook.

ASL and academic resources will be shared continually via the school website, the weekly newsletter, materials sent home with students, and the GSD Facebook page. Parents are strongly encouraged to attend periodic Regional Meetings offered across the state and parents are given the opportunity to participate in the Family Engagement Annual Conference. The school will also hold a Family Learning Week during the month of June, which will include an ASL immersion program as well as parent classes. A calendar of opportunities are provided in the Family Handbook that is distributed to all GSD families on Registration Day and posted to our school website. When available, GSD will provide housing in our dorms for our parents that wish to participate in on-campus events.
